

## 29 PARTICIPATING VET CLINICS for Spay/Neuter Vouchers

*Effective Dec 28, 2010*

The Baldwin County Humane Society (BARC!) is the only agency providing a low cost spay/neuter program for ALL of Baldwin County. We would like to thank the veterinary clinics that accept reduced fees on spaying/neutering for clients. \*NOTE: Not all accept the Spring Kitten Prevention (SKP) Program vouchers.

Our voucher programs are funded by the generosity of donors and through foundations and other grantors who share our goal of bringing an end to pet overpopulation.

In order to minimize pet over-population and reduce euthanasia as a means of animal control, pet owners are encouraged to spay/neuter.

Some participating vets may require additional fees for rabies, vaccinations, boarding office visit fees and post-surgical pain medication, etc. Be sure to inquire about these additional fees prior to making your appointment.

## 29 PARTICIPATING VET CLINICS for Spay/Neuter Vouchers

*Effective Dec 28, 2010*

The Baldwin County Humane Society (BARC!) is the only agency providing a low cost spay/neuter program for ALL of Baldwin County. We would like to thank the veterinary clinics that accept reduced fees on spaying/neutering for clients. \*NOTE: Not all accept the Spring Kitten Prevention (SKP) Program vouchers.

Our voucher programs are funded by the generosity of donors and through foundations and other grantors who share our goal of bringing an end to pet overpopulation.

In order to minimize pet over-population and reduce euthanasia as a means of animal control, pet owners are encouraged to spay/neuter.

Some participating vets may require additional fees for rabies, vaccinations, boarding office visit fees and post-surgical pain medication, etc. Be sure to inquire about these additional fees prior to making your appointment.

## 29 PARTICIPATING VET CLINICS for Spay/Neuter Vouchers

*Effective Dec 28, 2010*

The Baldwin County Humane Society (BARC!) is the only agency providing a low cost spay/neuter program for ALL of Baldwin County. We would like to thank the veterinary clinics that accept reduced fees on spaying/neutering for clients. \*NOTE: Not all accept the Spring Kitten Prevention (SKP) Program vouchers.

Our voucher programs are funded by the generosity of donors and through foundations and other grantors who share our goal of bringing an end to pet overpopulation.

In order to minimize pet over-population and reduce euthanasia as a means of animal control, pet owners are encouraged to spay/neuter.

Some participating vets may require additional fees for rabies, vaccinations, boarding office visit fees and post-surgical pain medication, etc. Be sure to inquire about these additional fees prior to making your appointment.

## 29 PARTICIPATING VET CLINICS for Spay/Neuter Vouchers

*Effective Dec 28, 2010*

The Baldwin County Humane Society (BARC!) is the only agency providing a low cost spay/neuter program for ALL of Baldwin County. We would like to thank the veterinary clinics that accept reduced fees on spaying/neutering for clients. \*NOTE: Not all accept the Spring Kitten Prevention (SKP) Program vouchers.

Our voucher programs are funded by the generosity of donors and through foundations and other grantors who share our goal of bringing an end to pet overpopulation.

In order to minimize pet over-population and reduce euthanasia as a means of animal control, pet owners are encouraged to spay/neuter.

Some participating vets may require additional fees for rabies, vaccinations, boarding office visit fees and post-surgical pain medication, etc. Be sure to inquire about these additional fees prior to making your appointment.

## 29 PARTICIPATING VET CLINICS for Spay/Neuter Vouchers

*Effective Dec 28, 2010*

The Baldwin County Humane Society (BARC!) is the only agency providing a low cost spay/neuter program for ALL of Baldwin County. We would like to thank the veterinary clinics that accept reduced fees on spaying/neutering for clients. \*NOTE: Not all accept the Spring Kitten Prevention (SKP) Program vouchers.

Our voucher programs are funded by the generosity of donors and through foundations and other grantors who share our goal of bringing an end to pet overpopulation.

In order to minimize pet over-population and reduce euthanasia as a means of animal control, pet owners are encouraged to spay/neuter.

Some participating vets may require additional fees for rabies, vaccinations, boarding office visit fees and post-surgical pain medication, etc. Be sure to inquire about these additional fees prior to making your appointment.

## 29 PARTICIPATING VET CLINICS for Spay/Neuter Vouchers

*Effective Dec 28, 2010*

The Baldwin County Humane Society (BARC!) is the only agency providing a low cost spay/neuter program for ALL of Baldwin County. We would like to thank the veterinary clinics that accept reduced fees on spaying/neutering for clients. \*NOTE: Not all accept the Spring Kitten Prevention (SKP) Program vouchers.

Our voucher programs are funded by the generosity of donors and through foundations and other grantors who share our goal of bringing an end to pet overpopulation.

In order to minimize pet over-population and reduce euthanasia as a means of animal control, pet owners are encouraged to spay/neuter.

Some participating vets may require additional fees for rabies, vaccinations, boarding office visit fees and post-surgical pain medication, etc. Be sure to inquire about these additional fees prior to making your appointment.
